Project evaluation form SDSP

Date received by SDSP:

Purpose of this form: SDSP will use this form to evaluate the results and success of the below mentioned project and the cooperation between the SDSP and your organisation. Based on the results we will decide how to continue cooperation with your organisation. Please answer all questions as detailed as possible, preferable in digital format.

In general

- 1: Name of the project:
- 2: Contact person:
3. Address

Before the project:

- 3: Total budget of the project:
- 4: Amount of money received from SDSP:
- 5: Timeframe of the project (mention begin and end date):
- 6: Main goal of the project (this can be the main theoretical goal):
- 7: Practical targets of the projects (mention real practical figures like number of cows to be bought, number of computers to be installed, houses build etc).

a

After the project:

- 8: Total SDSP money spent. (please include financial report / overview)
- 9: If there is still money not spent; what is your idea what to do with it?
- 10: Did you reach the main goal of the project? Please write down the main results.
- 11: Did you reach the practical targets? Please write down witch targets are reach, and which not.
- 12: If not all practical targets are reach: why not?
- 13: Attach at least 2 pictures of the real practical results.

Cooperation with SDSP.

- 14: What do you think of the cooperation with the SDSP? What could be better?
